Message from District Governor Mike Collins

“Where there is a need, there is a Lion”

Hello Montana Lions,

Hello Montana Lions,

I am writing this immediately following the 2020-21 District 37 Convention in Kalispell. It was beyond a pleasure to welcome almost 100 Lions to Kalispell. We had a great time and listened to some excellent speakers. Thanks to an inspiring presentation by

PID Anne Smarsh, the convention attendees donated more than \$20,000 for the Lions Club International Foundation. The live and silent auctions raised \$4,100 for the Montana Lions Sight and Hearing foundation and the 50/50 contributed \$500 to Leader Dogs.

We were able to give away awards to Lions from the last two years. IPDG Verna gave awards to Lion Steve Melby of the Columbia Falls Lions, PDG Melody Witcher of the Winnett Lions, Lion Don Idso of the Glendive Lions and PDG Dennis Kopitzke of the Forsyth Lions.

I gave awards to PDG Monte Weisser and Lion Dave Falcon of the Kalispell Sunrisers Lions, Lion Peggy Tobin of the Coutts + Sweetgrass Lions and PDG Lary Garrison of the Billings Heights Lions.

Hall of Fame medals were presented to PDG Dennis Kopitzke of the Forsyth Lions and PDG Ted Witzel of the Kalispell Lions. Lion Elaine Black of the Billings Heights Lions had been presented her hall of fame medal in Billings because she was unable to attend the convention.

I own many people a debt of gratitude for the hours spent preparing for, and running the convention. The Kalispell area Lions clubs went above and beyond to make sure this convention was a success. Convention chairperson Monte Weisser did an incredible job.

In the next two months the District Governor team will be trying to visit the clubs that Covid-19 prevented us from visiting earlier this year. I hope that clubs are starting to meet and get back to doing what Lions do best, Serving our communities.

Kindness Matters,
District Governor Mike

2021 DISTRICT CONVENTION APRIL 23 & 24, KALISPELL

What a great convention! Thanks to convention managers DG Mike Collins and PDG Monte Weisser and to the clubs and all the Lions that provided help. For additional photos check the district website.

The convention kicked off on Friday night with a presentation by Bill Whitsitt, Chairman of the USS Montana Committee. The USS Montana, stealthy attach submarine, has been commissioned and is expected to be launched into service in the coming months.

The Montana Lions Sight & Hearing Foundation followed with their annual presentation of awards to the top five clubs that made total donations to the Foundation and the top five clubs with contributions per member. The annual MLSHF silent and live auction was held and a tremendous thanks to all the clubs that donated items for the auction and to the Lions supported the Foundation through their winning bids.

PDG Dan Sturdevant, Foundation President, and Lion Jessica Falcon, Foundation Administrator presenting contribution awards.

Saturday's events started at 8:00 AM with the welcome by DG Mike Collins, Invocation from PDG Lary Garrison and the singing of our national anthem, led by IPDG Verna Love. The nominations of Lion Michael Tobin, for District Governor; Lion Scott Dornfeld, for 1st Vice District Governor and Lion Brian Gertiser, for 2nd Vice District Governor were placed before the membership. All three were later elected to serve as the district's senior leaders for 2021-2022.

The first information presentation was made by Matthew Larsen a certified diabetes consultant, serving through Kalispell Regional Medical Center. Matthew had an informative and eye-opening presentation on the types of diabetes, background on the growth of diabetes issues especially in the United States and basic management strategies for the disease.

One of the most appreciated presentations was the Memorial Service. The program recognized the passing of over 60 of our Lions during the past two years. Many of the deaths associated with COVID-19. Thanks to PDG Jim Johnke and PDG Melody Witcher for organizing the program. PID Dave Hajny, DGE Michael Collins and 1st VDGE Scott Dornfeld helped with the program.

It is always great to have an entertaining and motivational speaker at conventions. This year convention attendees had the opportunity to listen to, to learn, to laugh with and enjoy a great presentation by Tim Gard.

The final informational presentation was made by Jocelyn Dehass, Director for the Montana Association for the Blind. Jocelyn presented a wealth of information on the services provide by MAB and the tremendous help given to those in need.

All of the proposed changes to the district constitution and by-laws were approved in the voting by those club delegates attending the convention.

The convention concluded on Saturday night with the District Governor's banquet, presentation of award and address by PID Anne Smarsh.

United in Kindness and Diversity – Dr. Jung-Yul Choi May 2021

When you connect with your club, amazing things happen. And even though the way we meet may have changed, what we've been able to accomplish together show that our connection has only grown stronger.

Let us always remember that even though there may be distance between us, there is no divide amongst us. No matter where we call home, we are united through service. And together, our Lions family will never stop working to make the world a better place for all people.

MONTANA SCHOOL FOR THE DEAF & BLIND FOUNDATION

LIONS CLUB PARTNERSHIP

MSDB set a goal to provide all low-vision students in the state with updated technology – saving students from having to push a cumbersome cart with a magnifier down the hall with them to each class. With the help of Lions Clubs throughout Montana, they met that goal before the pandemic hit – equipping students with the technology they need to succeed at both home and school.

Lions Clubs often support projects providing vision support, so Clayton-Bye reached out and was invited to attend their conference.

They set a goal to raise \$300,000 and purchase 100 devices for Montana’s low vision students.

“We said if we can meet that goal in two years it would be a dream come true and we met it in eight months with the Lions,” Clayton-Bye said, “We want to continue to dream big to open the doors to Montana’s deaf, hard of hearing, blind, low vision and deafblind.”

LCI CHARTER AND ENTRANCE FEES WAIVER FLEXIBLE PAYMENTS

The LCI Board of Directors has passed another resolution to help our clubs:
Charter and Entrance Fees Waiver – The LCI board has waived all charter and entrance fees from January 1 through June 30, 2021.

Flexible Payments – No clubs in good standing on December 31, 2020 will be suspended or canceled through June 30, 2021 for late payment of dues. Full payment is required to be received before June 20, 2021 to avoid suspension or cancellation.

Please note – Clubs placed on financial suspension on December 31, 2020 will remain on suspension until the full balance is paid. Those clubs will still need to address their outstanding dues or make arrangements for repayment with the Accounts Receivable Department at LCI to avoid cancellation scheduled for March 1, 2021.

CLUB MEMBERSHIP BILLING

This past year has been unlike any other as the COVID-19 pandemic has impacted our world in so many ways. To support our Lions during these challenging times, the Board of Directors approved a resolution stating that no clubs will be suspended or canceled through December 31, 2020 for late payment of dues.

Currently, there are a record number of clubs that have not yet paid their balances. We want to make sure you are aware of some important dates and

action items that will impact our clubs so we can all work together to support them during this difficult time.

October 25, 2020 – The District Team will be advised on clubs that have not paid their balances within the suspension parameters.

October, November and December Statements – The statements will include a suspension warning to inform clubs of their past due status.

January 1, 2021 – Clubs will be placed on Financial Suspension if balances over 120 days are in excess of US\$20/member or over \$1,000. Clubs released from Financial Suspension can expect to be billed for dues for January-June 2021.

March 1, 2021 – Clubs previously suspended will automatically be canceled if their balances are not paid in full.

March-June 2021 – Canceled clubs may be reactivated to Active Status upon receipt of their payment and approval from the district governor.

May 8, 2021 – The suspension cycle will again review clubs for balances unpaid over 120 days with cancellation following on June 29 if payment has not yet been received.

DG RECAPS will be mailed regularly each month. The District Team should review the report and communicate with clubs to encourage payment prior to the end of this calendar year.

We will be sending the list of clubs in suspension to our District Team and Global Action Team leadership each month to support the districts.

Please let us know if you have questions about the process or the timeline. LCI can then ensure that our clubs stay in good standing and continue their great work in time when Lions are needed more than ever.

A WORLD IN NEED

800,000,000 People go to bed Hungry every night!

400,000,000 People are living with Diabetes!

250,000,000 People are Blind or Visually Impaired!

245 People die every day from Measles!

67% of Children report having been Bullied!

50% of the World's Population lives in water stressed environments!

15% Increases of Disasters annually!

On April 10th the first Lions Clubs International Foundation Tell-A-Thon was broadcast with the goal of raising \$250,000 hosted by 1st IVP Doug Alexander. At this time over \$800,000 has been raised with more to be reported. In comparison the first of Jerry Lewis's Tel-A-Thons raised a total of \$1,000,002. Plans are in the works for next year's Tell-A-Thon with 2nd IVP Brian Sheehan as it's host which should be a hoot!!!

Unfortunately, even \$1,000,000 will fall far short in meeting the Worlds Needs as grants are dispensed almost on a daily basis. We all can do a part in making sure there are financial resources available, though seldom enough, to meet the needs at home or abroad. Visit: www.lcif.org/be11 or www.donorassistance@lionsclubs.org

Advertising and Publicity Reimbursement for 2020-2021

District 37 has made available funds for reimbursement of advertising expenses for the July 2020- Jun 2021 Lions Year. District 37 will reimburse clubs in good standing up to \$100.00 for expenses for advertising expenses such as social media advertising, google ads, newspaper, radio, or other paid advertising.

It is highly recommended that the advertising should be used to promote your club and club projects, attract new members, and increase public awareness of your Lions club. While the funds may be used to promote a fundraiser, please emphasize what your club is raising the funds for. Social media advertising allows you to get a much bigger impact for your dollar and can be targeted to specific demographics, so it is highly recommended that these funds be used for that type of advertising.

Requests for reimbursement can be made by submitting an Advertising and Publicity Reimbursement Request to DG Mike Collins either by email or postal mail. Please send one request for funds rather than sending multiple small requests. The form will be published in the newsletter and on the web site. All requests must be submitted by June 1. 2021.

DG Mike Collins

Montana Lions District 37 will reimburse individual Lions clubs for expenses for advertising your club for the Lion's year 2020-2021 up to a maximum of \$100.00 per club. It is recommended that this be used for attracting new members and/or publicizing your club using electronic or social media but is not limited to this.
