Message from District Governor Mike Collins

“Where there Is a need, there is a Lion”

Happy New Year Montana Lions,

Kari and I truly wish that the New Year of 2021 brings joy, happiness, peace, and good health for you and your family. While 2020 may have been a year filled with challenges, wouldn't it be magical if 2021 was to become a year to remember fondly for every club in our great District.

When we look back on 2021 will we be able to say we made each person in our Club, both 'old and new', feel welcome and a part of our Association of Lions? That we have an environment in which members feel safe and healthy but continue to serve? That all our members contributed to the formation of the club's goals and to the realization of those goals? That we worked hard to identify key opportunities in the broader community where our members promoted and participated in worthwhile and safe projects.

All clubs should:

- Find ways to continue to increase our service despite the current health issues.
- Provide opportunities for individuals to participate equitably in our community and to understand the rights and responsibilities that we share as part of that society.
- Stimulate a sense of belonging for everyone by helping our membership and our community work towards a spirit of inclusiveness and a shared identity as a diverse society.
- Seek and encourage new members and clubs so we can continue to serve our communities.

Ideas to attract new members

- Ask someone to join.
- Send letters to people in the news with an invitation to visit the club
- Print club business cards with club meeting location and time
- Distribute extra copies of LION magazine and attached information about your club in waiting rooms, etc.
- Build a social media presence
- Hold joint meetings with other groups
- Share your club experience with others
- Ask every member to submit 3 prospects to the membership chair
- Always make it FUN
- Develop a welcome letter from the president for all new members
- Contact all members who have resigned in the past 3 years
- Ask club members to put club ads on their commercial trucks

Happy 2021 Everyone.
District Governor Mike

William "Bill" Pfeifer of Mesquite, Nevada, passed away Dec. 2, 2020, from COVID-19.

Bill was born May 7, 1953, in Hayward, Wisconsin, the son of Oscar and Lucille (Poppe) Pfeifer. In 1971 Bill graduated from Hayward High School. On Dec. 4, 1976 at the First Congregational Church in Hayward, Bill married Jayne Cook. Bill served in the federal government for 33 years with the Department of Justice, as well as the U.S. Forest Service. Bill also served in the Air Force from 1971-1975 and subsequently the Army National Guard from 1980-2008, retiring as a Lieutenant Colonel. Bill earned a number of awards, including the Army Commendation Medal, Army Achievement Medal, Montana National Guard Distinguished Service Ribbon, and a Montana National Guard Outstanding Unit Ribbon. After his retirement from the U.S. Forest Service and ARNG he then taught contracting law courses for the Northwest Procurement Institute and Management Concepts, Inc.

Bill was also very involved in community service with the Montana Lions. He and Jayne were instrumental in starting a Lions statewide vision screening program for the children of Montana. Bill served as District 37S Governor during the 2010-2011 Lionistic year. He received the International Presidential Medal in 2013, was a

progressive Melvin Jones Fellow, and a lifetime member of Montana Lions Sight & Hearing Foundation. A fellow Lion said, "Bill was the Lion's poster man. He could defuse any situation with a smile and a wink. He was wise beyond his years. Listened and thought before he talked."

Bill was full of life, compassion, character, wisdom and, of course, he had an amazing sense of humor. He will be greatly missed. He was loved by many.

Bill is survived by his wife of 44 years, Jayne Cook Pfeifer; sisters, Luella Wendt, Charlotte (Jim) Robotham and Machele Pfeifer; and brother, John (Joyce) Pfeifer.

Preceding him in death were his parents, Oscar and Lucille (Poppe) Pfeifer; brothers, Paul, Carl and Walter; sister, Yvonne McGuire; and his grandparents.

Due to COVID concerns, a Celebration of Life will be held at a later date in Hayward. In lieu of flowers, the family requests memorials in Bill's name to the Montana Lions Sight & Hearing Foundation, Box 1925, Columbia Falls, MT 59912, or the Gallatin Empire Lions Foundation, Box 504, Bozeman, MT, 59771.

Cards of sympathy and condolence may be sent to Jayne Pfeifer, 1068 Starlight Terrace Way, Mesquite, NV 89034.

Lions Clubs International FOUNDATION

From PDG Lary Garrison:

As of July 1, 2021, I will no longer be District 37 LCIF Chairperson. It has been an honor to have served the District and you in this position-but the time has come for me to allow someone else the opportunity to serve and learn.

District 37 has benefited greatly over the past 50 years with many clubs doing great things for their communities. While many Lions have done the hard work to plan, develop, and complete many projects that have made these community enhancements possible, I have only given them guidance and encouragement while receiving a great deal of satisfaction from the small part I played in seeing dreams come true.

Although I will not be "active" at the District level, I will be there to advise and encourage.

Thank you for allowing me the opportunity to be a part of District 37 over the past 20+ years.

Yours in Lionism,

PDG Lary Garrison, LCIF Chairperson

CLUB MEMBERSHIP BILLING

This past year has been unlike any other as the COVID-19 pandemic has impacted our world in so many ways. To support our Lions during these challenging times, the Board of Directors approved a resolution stating that no clubs will be suspended or canceled through December 31, 2020 for late payment of dues.

Currently, there are a record number of clubs that have not yet paid their balances. We want to make sure you are aware of some important dates and action items that will impact our clubs so we can all work together to support them during this difficult time.

October 25, 2020 – The District Team will be advised on clubs that have not paid their balances within the suspension parameters.

October, November and December Statements – The statements will include a suspension warning to inform clubs of their past due status.

January 1, 2021 – Clubs will be placed on Financial Suspension if balances over 120 days are in excess of US\$20/member or over \$1,000. Clubs released from Financial Suspension can expect to be billed for dues for January-June 2021.

March 1, 2021 – Clubs previously suspended will automatically be canceled if their balances are not paid in full.

March-June 2021 – Canceled clubs may be reactivated to Active Status upon receipt of their payment and approval from the district governor.

May 8, 2021 – The suspension cycle will again review clubs for balances unpaid over 120 days with cancellation following on June 29 if payment has not yet been received.

DG RECAPS will be mailed regularly each month. The District Team should review the report and communicate with clubs to encourage payment prior to the end of this calendar year.

We will be sending the list of clubs in suspension to our District Team and Global Action Team leadership each month to support the districts.

Please let us know if you have questions about the process or the timeline. LCI can then ensure that our clubs stay in good standing and continue their great work in time when Lions are needed more than ever.

United in Kindness and Diversity – Dr. Jung-Yul Choi **January 2021**

Thank you for your extraordinary commitment this year. Despite all the challenges we have faced together, we have persevered and accomplished so much for so many. And you played a key role in our success.

During the past year we have recruited 20% more new members into existing clubs, chartered 52% more new clubs and increased club service reporting approximately 20%. Let's continue to keep our Lions safe and healthy so we can make a difference in even more lives and communities everywhere.

The challenges facing us today are great, but we can still achieve great things when we unite around global causes like diabetes.

LCI-NORTH AMERICAN MEMBERSHIP INITIATIVE-NAMI

It has been two years since the LCI board of directors authorized the North American Membership Initiative as a pilot program. The project started with nine pilot districts (Montana District 37 was included) and two primary goals: achieve membership growth and develop a process for other districts to follow.

All the process materials and resources for this initiative are centralized at www.lionsclubs.org/nami. Several initial lessons have been learned: (1) districts and clubs must take action quickly (2) there is a need to better engage zone chairpersons and clubs.

A Young Lions Task Force was created and the LCI Global Action Team have been instrumental in moving NAMI ahead. In our Constitutional Areas 1 & 2, 26 new clubs have been chartered this year.

In these difficult times, the world needs Lions to serve more than ever. Get on board and support the North American Membership Initiative.

LCIF - Hunger Pilot Grant Program

There are nearly one billion people across the world that experience food insecurity. No one can truly understand the devastating physical and emotional impact of hunger unless they experience it. Through the LCIF Hunger Pilot Grant Program, Lions can support school-based feeding programs, food banks, feeding centers, and similar facilities that provide food to people when they need it most. For more information go to: <https://www.lionsclubs.org/en/start-our-approach/grant-types/hunger-pilot-grant>

District 37

Advertising and Publicity Reimbursement for 2020-2021

District 37 has made available funds for reimbursement of advertising expenses for the July 2020- Jun 2021 Lions Year. District 37 will reimburse clubs in good standing up to \$100.00 for expenses for advertising expenses such as social media advertising, google ads, newspaper, radio, or other paid advertising.

It is highly recommended that the advertising should be used to promote your club and club projects, attract new members, and increase public awareness of your Lions club. While the funds may be used to promote a fundraiser, please emphasize what your club is raising the funds for. Social media advertising allows you to get a much bigger impact for your dollar and can be targeted to specific demographics, so it is highly recommended that these funds be used for that type of advertising.

Requests for reimbursement can be made by submitting an Advertising and Publicity Reimbursement Request to DG Mike Collins either by email or postal mail. Please send one request for funds rather than sending multiple small requests. The form will be published in the newsletter and on the web site. All requests must be submitted by June 1. 2021.

We Serve

DG Mike Collins
